Perry Johnson Registrars, Inc. Announces 6e Technologies ISO 9001 & ISO 27001 Certification

Troy, MI January, 2022 — Perry Johnson Registrars, Inc. is pleased to announce the certification of 6e Technologies to the ISO 9001 and ISO 27001 standards.

Based in Denver, Colorado, 6e Technologies is an Information Technology company that provides Enterprise Resource Planning (ERP), Business Intelligence, and automation solutions to a medium- and large-scale clients in a range of industries. With a strong focus on using technology platforms to solve clients' problems and make their lives easier, 6e's mission is to help streamline back-office systems to help clients focus on accomplishing their goals.

Serving Government agencies and manufacturing clients, ISO certification was an imminent choice for them. Formalizing their existing commitment to being process-oriented and quality-conscious, ISO 9001 and 27001 certifications has helped 6e receive more attention from both existing and prospective clients across industries.

Being certified to ISO 9001 and ISO 27001 means providing customers with confidence that:

- their primary focus is on the needs of customers
- their leadership is focused on establishing unity and direction
- team involvement and participation is emphasized
- processes are controlled as an approach to quality management
- leaders and management groups coordinate to achieve improved productivity
- increased performance is achieved through continual improvement
- decisions are made most effective thorough analysis and interpretation of data
- optimization of resources and costs is achieved by mutually beneficial supplier relationships

All ISO-certified businesses effectively demonstrate their continuing dedication to quality and customer satisfaction above and beyond the normal practices of uncertified organizations. By demonstrating this dedication through certification, the reputation of 6e Technologies is further emphasized.
