Version 6 documents

Published: 1 April, 2023

FSSC 22000 certification comprises of three components: [ISO 22000](#), the relevant [PRP specification/s \(ISO/TS standards and BSI PAS\)](#), and FSSC 22000 Scheme requirements. The FSSC 22000 Scheme requirements include the FSSC 22000 Additional Requirements, Scheme Interpretation Articles, and the BoS decision list as detailed under Part 2 of the Scheme document. All documents are available for download on our website. In the case of translations of the FSSC Scheme documents (including the annexes and main changes documents), the English version is the official and binding version. There is a [Version 6 FAQ](#) available that covers a variety of topics.
