ABOUT PJR OFFICE HOURS

This will be a regularly occurring series on a variety of topics, not just IATF.

Format will be mostly Q & A, as opposed to talking head/lecture.

Moderator will read questions previously e-mailed to PJR or chatted during today's meeting.

Technical Experts will likely be able to answer general questions related to accreditation certification. In other words, not much is off limits.

A recording of this presentation will be available for download at www.pjr.com within 48 hours from the end of today's Office Hours.
